

Nissan Forklift

Nissan Motor Co. Ltd prides itself on achieving total customer fulfillment when enjoying one of their car, truck or forklift products. They are committed to delivering high value and detail-oriented quality standards to their clients. Incorporating a rich heritage combined with solid processing principals, Nissan Forklifts provide a few of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to sustain their worldwide forklift demands. Committed to providing customer support, the company has four separate manufacturing facilities that permit them to persistently adapt to their consumers continually evolving needs by offering an assortment of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental accountability by using methods and processes that reduce their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their clients command whilst being an environmentally responsive organization.

Nissan is assured that they will be capable of addressing any consumer inquiries or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their community sanctioned dealers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
